

Administration of the Child Care Assistance Program

2026-2027 Faribault & Martin County and Tribal Child Care Fund Plan

Administration of the Child Care Assistance Program

Background: Counties and Tribes must submit a biennial Child Care Fund Plan. Child Care Assistance Program rules and laws allow counties and Tribes to establish some local policies and procedures. These local policies and procedures, when included in this plan and approved by the commissioner, are considered county/Tribal policy and are used to support agency decisions during appeals. The Department of Children, Youth, and Families (DCYF) will review and approve County and Tribal Child Care Fund Plans. Counties and Tribes will receive approval letters for their Child Care Fund Plans from the commissioner. This plan period begins on January 1, 2026.

Minnesota Statute, section 142E.09, subdivision 3

Steps to complete the plan process:

Step One – Review the plan

Review this plan. Determine if there are changes compared to previous plans or if there are new policies or procedures. Involve other staff as needed.

Step Two – Draft the plan responses

Note these guidelines:

- Identify all optional policies; see question VIII.A.
- Do not answer questions by stating that the reviewer should refer to a previous plan.
- Submit all agency-developed documents; see question VIII.B.
- Answer each question. Incomplete plans will be returned.

Step Three – Inform and involve community partners

DCYF encourages counties and Tribes to develop optional policies in coordination with local partners.

This may include: parents, child care providers, culturally specific service organizations, Child Care Aware agencies, interagency early intervention committees, and agencies involved in the provision of care and education to young children. Consult with other agency staff such as fraud investigators and income maintenance and employment services staff.

Step Four – Share the draft plan

Prior to submission, you must make copies of the proposed plan available to the public and allow sufficient time for public review and comment. See question II.D of this plan; describe methods used to make the plan available to the public, particularly to those members listed in II.D.

Step Five – Submit the plan by the deadline (Friday, September 19, 2025)

Amendments to plans

A county or Tribe may amend their Child Care Fund Plan at any time. If approved by the commissioner, the amendment is effective on the date requested by the agency unless a different effective date is set by the commissioner. Plan amendments must be approved or denied by the commissioner within 60 days after receipt of the amendment request. The department reserves the right to direct a county or Tribe to amend its Child Care Fund Plan if the plan is no longer in compliance with Minnesota Statutes, Minnesota Rules, or federal law.

Minnesota Rules, part 3400.0150, subpart 3

Amendments include changes in contacts, optional policies, new or revised forms and notices. Amendments can be sent in letter form or by email to the agency's child care assistance policy specialist.

Return completed plans by **Friday, September 19, 2025** to:

D. Subcontracted services

Counties and Tribes may contract with an agency to administer all or part of their Child Care Assistance Program.

**Minnesota Rules, part
3400.0140, subpart 7**

If you are planning any changes in the administration of your CCAP, tell your CCAP policy specialist immediately. This could involve subcontracting or mergers of counties. Failing to notify DCYF may delay the changes that you are planning to make.

Does your county or Tribe contract with an agency for any part of the administration of CCAP? ☐ Yes ☒ No

Do not include cooperative agreements with employment and training service providers that work with MFIP/DWP families to develop and approve the employment service plan.

II. Collaboration and outreach

A. How do you share information about the Child Care Assistance Program so that individuals, child care providers, social service agencies, etc. are aware of child care assistance? ([Minnesota Rules, part 3400.0140, subpart 2](#))

County agency staff are informed about the program and can refer prospective applicants for child care assistance. The DHS-3551 form, Do You Need Help Paying for Child Care?, is provided to clients when they inquire about or apply for child care assistance or other applicable programs. Informational materials are also available in agency lobbies, at the CareerForce Center, and on our agency website. Child care providers receive program information at the time of licensing.

B. Agencies are required to work with other public and private community resources that provide services to families to maximize community resources for families with young children. These include, but are not limited to, Child Care Aware, School Districts, Early Learning Scholarships, Head Start, and Early Childhood Screening. List the community programs your agency works with. ([Minnesota Statute, section 142E.09, subdivision 3 \(1\)](#))

MVAC, Head Start, ECFE, Community Preschools, Licensed Child Care Providers, Career Force Center, and WIC.

C. How do you work with the community resources above to maximize public and private community resources for families with young children? Include the methods used to share information, responsibility, and accountability among these community resources. For example, partnering with Community Action agencies and local Head Start to help families access early childhood services and economic resources.

FMCHS collaborates closely with other agencies and community resources to support families. We regularly share information about the Child Care Assistance Program (CCAP) through emails and presentations upon request. Eligibility workers meet monthly with employment counselors to coordinate services for DWP and MFIP clients. Our goal is to ensure families are aware of the opportunities available in our counties and to help children succeed and be prepared for kindergarten.

D. Copies of the proposed plan must be made available to the public, including parents, child care providers, culturally specific service organizations, Child Care Aware of Minnesota agencies, interagency early intervention committees, potential collaborative partners and agencies involved in the provision of care and education to young children. You must allow time for public review and comment prior to submitting this plan to DCYF for approval. ([Minnesota Statute, section 142E.09, subdivision 3 \(2\)](#)).

1. Describe how you make copies of the **draft plan** available to the public, including how you plan to notify the public about the existence of this draft and ways the public can provide comment.

A draft of this plan will be available on our agency website for public review for two weeks prior to submission.

2. When was your draft plan available for public review?

6/27/2025

E. After your plan is approved by DCYF, do you post your approved plan on your website? ☒ Yes ☐ No

III. Eligibility

A. Education plans outside an Employment Plan

Prior to completing this section, review [Minnesota Rules, part 3400.0040](#) and [Minnesota Statutes 142E.12 Subdivision 3](#) to ensure your policies are in compliance. Identify agency developed documents used for education plan requests and notices used to communicate approval or denial in each response and list these in the agency developed document section VIII.B.

1. High school diploma/GED high school equivalency diploma

1a. Do you approve all high school and GED programs? ☒ Yes ☐ No

2. Remedial and basic skills courses (includes Adult Basic Education and English as a Second Language)

2a. Do you approve all remedial and basic skills courses? ☒ Yes ☐ No

3. Post-secondary programs

3a. Do you approve all post-secondary programs (including associate degrees, bachelor degrees, certificate programs and technical degrees)?

☒ Yes ☐ No

3b. Explain why you would deny a program. Include data and facts to support why students should not receive CCAP while attending.

A program may be denied if it does not meet the key criteria used to evaluate approved educational activities. These criteria include: the availability of jobs in the chosen field, the potential for increased wages, improved employment stability, and whether the training provides skills necessary for achieving long-term, self-sustaining employment. Students are required to submit documentation from their educational institution that outlines the number of credits and hours needed to complete the program. If this documentation is incomplete or the program lacks a clear path to employment, the application may be denied. Additionally, we do not approve educational plans that involve pursuing a second baccalaureate degree or education beyond a bachelor's degree—except in cases where the coursework involves continuing education units, certifications, or credential updates that are directly required for obtaining or maintaining employment. If a student's program falls outside these parameters, it would not be eligible for CCAP funding.

3c. Describe your criteria and procedures for approving a post-secondary program outside an Employment Plan.

Applicants will meet with a child care worker to discuss and develop an acceptable course of study that supports their goal of achieving self-sustaining employment. The CCAP worker will conduct an assessment with the applicant to evaluate their previous education and training. Applicants must present a detailed plan that includes their chosen course of study, class schedule, and projected income demonstrating the potential to support their family. These plans will be reviewed by the county and must be approved by the CCAP worker. Faribault and Martin Counties require students to maintain good academic standing, as defined by their educational institution. Clients must also demonstrate aptitude for their chosen occupation or training program by submitting documentation such as enrollment confirmation, grades, or an acceptance letter to the agency.

4. How do you confirm satisfactory progress as determined by the institution at redetermination?

- ☐ Institution confirms the student is making satisfactory progress.
- ☒ Student remains enrolled in program.

B. Basic Sliding Fee Waiting List management

1. Priorities for service

Have you established sub-priorities for the third priority Basic Sliding Fee Waiting List?

- ☐ Yes ☒ No

2. How does your agency do a preliminary determination before adding families to the waiting list?

(CCAP Policy Manual, Chapter 4.3.12.12)

How do you notify a family they were placed on the waiting list?

- ☒ The family is sent [DHS-7883A \(You have been placed on the Child Care Assistance Program \(CCAP\) waiting list\)](#)
- ☐ The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

4. Six month review of Basic Sliding Fee Waiting List

Minnesota Statute, section
142E.04, subdivision 2

4a. You must review and update your waiting list at least every six months. How are families notified of this six month review?

- ☒ The family is sent [DHS-7883B \(Child Care Assistance Program \(CCAP\) waiting list update\)](#)
- ☐ The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

4b. Describe your agency's process for reviewing and updating the waiting list. If your agency does not currently have a waiting list, describe your process in the event your agency does start a waiting list.

At the six-month mark, a review letter is sent to applicants on the waiting list, requesting that they confirm whether they wish to remain on the list or be removed. Families must respond within 30 days of the notice.

4c. How are families notified they are removed from the waiting list for not responding to the six month review?

- ☐ Families are sent an additional notice
- ☒ Six month review letter includes notification they will be removed from the waiting list if they don't respond

5. Applications mailed to families on the Basic Sliding Fee Waiting List

Applications must be sent to families on the waiting list when there is funding available for Basic Sliding Fee.

5a. When do you remove the family from the waiting list?

- ☒ When you receive the completed application. If no application is received, the family is removed at the end of the time period allowed for returning the application. The notice sent with the application informs the family that their name will be removed from the waiting list if the application is not received by the deadline.

5b. How do you notify a family that their name was removed from the waiting list?

- ☒ The family is sent [DHS-7883C \(Child Care Assistance Program \(CCAP\) funds available\)](#)
- ☐ The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

6. Temporarily ineligible families on the Basic Sliding Fee Waiting List

When a family reaches the top of the waiting list and is temporarily ineligible, leave the family at the top of the waiting list for 90 days, according to priority group and serve the applicant who is next on the waiting list.

Minnesota Rules, part 3400.0040, subpart 17

Do you have an alternate procedure that extends the timeframe beyond 90 days?

- ☐ Yes
- ☒ No

C. Child care for school release days

1. How do case workers authorize care for school release days in your agency?

- ☐ Authorize the hours care is needed when there are no school release days.
- ☐ Authorize the highest number of hours care is needed with the provider.
- ☐ Other method.

CCAP Policy Manual, Chapter 9.1.3

2. How do you communicate authorized hours for school release days to parents, providers and billing workers?

Comments detailing the authorization of child care hours are added to the service agreements and documented in MEC2 case notes.

D. Child care for families with flexible schedules

1. How do case workers authorize care for families with flexible schedules in your agency?

CCAP Policy Manual, Chapter 9.1.6

- ☐ Authorize the typical number of hours needed and when the schedule requires additional care, the provider bills for the additional care.
- ☒ Authorize the minimum number of hours care is needed and when the schedule requires additional care, the provider bills for the additional care. Payment is made by increasing the number of hours listed in the "total hours of care authorized" field on the billing window or by creating a new Service Authorization.
- ☐ Authorize the highest number of hours care is needed with the provider. The provider is expected to bill only for the time that care is needed.
- ☐ Other method.

2. How do you communicate scheduled and authorized hours to parents, providers and billing workers?

Comments detailing the authorization of child care hours are added to the service agreements and documented in MEC2 case notes.

E. Authorizing care for clients with Employment Plans

Job counselors and CCAP workers must communicate child care needs for clients with Employment Plans. Guidance is found in [CCAP Policy Manual, Chapter 9.1.5](#).

1. CCAP workers must obtain an activity schedule prior to authorizing care. Who is responsible for obtaining the schedule information from the client?

- ☐ Job counselor provides schedule or days and times that child care is needed to CCAP worker.

CCAP workers and job counselors communicate as needed through email, employment plans, phone calls, faxes, and in-person meetings.

F. Extending redetermination dates beyond 12 months

Redeterminations may be extended beyond 12 months for a family that has a caregiver under the age of twenty-one, who does not have a high school or general equivalency diploma (GED), and is a student in a school district or another similar program that provides or arranges child care, parenting, social services, career and employment supports and academic support to achieve high school graduation.

An agency may identify other reasons to extend redetermination dates beyond 12 months. For example, an agency may extend redetermination dates to balance out a workload. See [CCAP Policy Manual, Chapter 10.3](#) and [Minnesota Rules, part 3400.0180, subpart 1](#).

1. Does your agency extend redetermination dates beyond 12 months?

- ☐ Yes ☒ No

IV. Policies applicable to legal nonlicensed providers

A. Annual monitoring and training

Any legal nonlicensed provider with an open Service Authorization for a child who is not related to them must complete Supervising for Safety training within 90 days of the authorization start date and have an annual monitoring visit. See [CCAP Policy Manual Chapter 11.9](#) and Minnesota Rules, part [3400.0020, subpart 37a](#) and [3400.0120, subparts 6 and 9](#).

1. How does your agency track legal nonlicensed providers who have an open Service Authorization for unrelated children?

- ☒ All legal nonlicensed providers are tracked on a spreadsheet. Spreadsheet includes date that unrelated child Service Authorization began, due date for Supervising for Safety training, and due date of annual monitoring visit. Spreadsheet is checked every month to determine if training or an annual monitoring visit is due.

☐ Other

2. What are your agency's internal processes and procedures for completing annual monitoring visits?

- ☒ Agency contacts the provider at least 30 days prior to the date the annual monitoring visit is due. Agency schedules a time to visit. Agency visits the provider and reviews the [Legal Nonlicensed Provider Monitoring Checklist \(DHS-7867\)](#) with the provider. Agency submits the [Monitoring Visit Summary \(DHS-7867A\)](#) to DCYF within 10 days of the visit and notify DCYF if the provider fails any items.

☐ Other

Note: See [CCAP Policy Manual 11.9.18](#) for the process that agencies must follow when a provider does not demonstrate full compliance with the health and safety policies at the monitoring visit.

B. Complaints and incidents

1. Records of substantiated parental complaints

Within 24 hours of receiving a complaint concerning the health or safety of children under the care of a legal nonlicensed (LNL) provider, an agency must relay the complaint to the agency's child protection agency, county public health agency, local law enforcement, and/or other agencies with jurisdiction to investigate complaints.

Information regarding substantiated complaints must be released following applicable data privacy laws. See [Minnesota Statutes Chapter 13](#). When a report is substantiated, see [Minnesota Rules, part 3400.0140, subpart 6](#), for record retention and provider payment policies.

When complaints are substantiated how do you:

1a. Maintain these records?

The child protection investigation assessment is documented and maintained in SSIS.

1b. Make this information available to the public when requested?

When requested, information is made available to the public in accordance with data privacy policies. Only public statistics are shared unless there is a signed release authorizing the disclosure of additional information.

2. Aggregate reporting of incidents

At least quarterly, agencies must report to the Minnesota Department of Children, Youth, and Families the aggregate number of deaths, serious injuries, and substantiated maltreatment incidents for children under the care of legal nonlicensed (LNL) providers. See [Minnesota Rules, part 3400.0140, subpart 14](#).

2a. How will you record and maintain accurate counts of incidents that occur in legal nonlicensed settings registered by your agency?

We track all intakes involving deaths, serious injuries, and substantiated maltreatment incidents in SSIS. Legal non-licensed providers receive an instruction sheet in their initial startup packets outlining reporting requirements. The Financial Assistance Supervisor compiles and submits the required aggregate reports quarterly to the Minnesota Department of Children, Youth, and Families as requested.

V. Higher rates for providers serving certain populations

Higher rates, above the standard maximum rates, can be paid to providers if approved by the commissioner (up to the provider's charge).

Minnesota Statute,
section 142E.17,
subdivision 3

Minnesota Rules,
part 3400.0130,
subpart 3 and 3b

CCAP Policy
Manual,
Chapter 9.54

A. Higher rates for providers caring for children in at-risk populations

You may pay higher rates for providers caring for certain populations defined as at-risk in this plan. At-risk means environmental or familial factors exist that may create barriers to a child's optimal achievement such as a federal or state disaster, limited English proficiency in a family, history of abuse or neglect, a determination that the children are at risk of abuse or neglect, family violence, homelessness, age of the mother, level of maternal education, mental illness, development disability, parental chemical dependency or history of other substance use.

1. Do you pay a higher rate for providers caring for children in at-risk populations? ☐ Yes ☒ No

If this information changes, you must notify DCYF and request an amendment to your plan.

VI. Payment policies

A. Payment to two providers when a child is sick

When a child is sick and being cared for by a second provider, do you pay both the regular provider that charges an absent day and the second provider that is caring for the child?

☐ Yes ☒ No

Minnesota Statutes,
section 3400.0110,
subpart 8

Note: If the rate paid for care of sick children exceeds maximum rates, the "rates for care of sick children" must be included in section VIII.A. Additional Agency Optional Policies.

B. Submission of invoices

MEC² PRO is standardized across the State for all providers. If a provider receives an authorization and a billing form for an eligible family, the provider must submit the billing form to the agency within 60 days of the last date of service on the billing form. If the provider shows good cause for the delay you may pay bills submitted after 60 days.

Note: Good cause includes agency error; bills submitted late due to agency error can be submitted for one full year from the last date of service on the billing form.

Minnesota Statute, section
142E.17, subdivision 9

1. What criteria, other than agency error, is included in your definition of good cause for submitting and paying a billing form after 60 days? Check all that apply.

- ☒ Change in provider staffing that results in submitting the bill late.
- ☒ Circumstances outside of provider's control (natural disaster, state of emergency, damage to care setting, mail delay).
- ☐ Other

2. For each criteria under question 1, how many days late would you allow a provider to submit bills for payment (must be between 60 days and 1 year from the last date of service on the billing form)?

For both criteria, providers are allowed to submit billing forms up to six months late.

3. Do you require the parent signature on paper billing forms? ☒ Yes ☐ No

3a. When is a parent signature not needed on a paper billing form?

A parent's signature is not required on the paper billing form if the parent has moved without a forwarding address, left the area, or is otherwise unable to sign the voucher. In such cases, the provider must demonstrate good cause for not obtaining the parent's signature. Additionally, families are not required to sign billing forms submitted electronically through MEC2 Pro.

C. Underpayments

1. If you have underpaid according to Child Care Assistance Program policies, do you make corrective payments?

☒ Yes ☐ No

2. Under what circumstances do you make corrective payments? Check all that apply.

- ☒ Agency Errors: Corrective payments are made for one year after the last date of service on the billing form.
- ☒ Provider Corrections: Corrective payments are made for 90 days after the original bill was paid.
- ☒ Family Changes: Corrective payments are made retroactively to the date of the change, not to exceed 90 days from the date the change became known to the agency.
- ☐ Other

D. Absent day policy

The Child Care Assistance Program limits the number of paid absent days. Payment may exceed absent day limit if at least one parent in the family:

- Is under the age of 21; and
- Does not have a high school or general equivalency diploma; and
- Is a student in a school district or another similar program that provides or arranges for child care, parenting support, social services, career and employment supports, and academic support to achieve high school graduation.

Minnesota Statute,
section 142E.17,
subdivision 10

1. Do you allow payment to exceed the absent day limit for children authorized with providers that meet these requirements?

☒ Yes ☐ No

VII. Program integrity

A. Agency case management reviews can be used to determine causes of errors and identify specific policies needing review.

1. Do you conduct case management reviews of CCAP? ☒ Yes ☐ No

If yes, describe the process, including:

- How cases are selected,
- Which staff complete the reviews,
- What forms are used (DHS-5312D is available. If a different form is used, please list form(s) in Section X.B. Agency developed documents and submit with plan),
- How errors are resolved, and
- How staff are informed of correct policy.

The Financial Assistance Supervisor randomly selects cases for review using the DHS-5312D form to complete the assessment. Any errors identified during the review are communicated to staff either during individual conferences or via email from the CCAP supervisor, along with instructions on how to correct the case.

VIII. Other information

A. Additional agency optional policies

Do you have any other policies that apply to the Child Care Assistance Program which are not specifically required by state or federal rule or law? ([Minnesota Rules, part 3400.0140, subpart 1](#)) ([Minnesota Rules, part 3400.0150, subpart 2](#))

None

B. Agency developed documents

- All agency developed forms and notices used for the Child Care Assistance Program must reflect current policy and be approved by DCYF.
- Counties and Tribes must use documents developed by DHS/DCYF for administration of child care assistance.
- Agency developed documents must not duplicate or replace DHS/DCYF documents.
- Local agencies may create supplemental documents subject to DCYF approval.
- Documents must be written using plain language standards and meet other communication guidelines.
- Review forms, notices and documents at least every two years to ensure they reflect current child care assistance policy and laws.

Document inventory for your agency

Use this table to list all agency developed forms, notices, and documents your agency uses to administer child care assistance. List all documents in the table and submit all forms, notices or written documents including those previously approved.

Note: Refer to the DCYF memo announcing this plan for a list of DHS/DCYF created documents required for the Child Care Assistance Program. Do not list or submit DHS/DCYF created documents.

Name of agency developed document	Document reflects current CCAP policy	Status of current document
LNL Background Fee Letter	☒ Agency assures compliance	☒ DHS/DCYF previously approved - no changes ☐ DHS/DCYF previously approved - revised ☐ New document
LNL Clearance Letter	☒ Agency assures compliance	☒ DHS/DCYF previously approved - no changes ☐ DHS/DCYF previously approved - revised ☐ New document
